

# Getting to CTTC

The Centre Tecnològic de Telecomunicacions de Catalunya (CTTC) is located at the mediterranean Technology Park, in the metropolitan area of Castelldefels (Barcelona). The Park has excellent road and rail links to Barcelona and the airport.

Parc Mediterrani de la Tecnologia - Building B4  
Av. Carl Friedrich Gauss 7  
08860 - Castelldefels  
Barcelona (Spain)  
[www.cttc.es](http://www.cttc.es)

## **Access By train R-2S line, Castelldefels station**

The Castelldefels train station (RENFE R-2 line) is 300 m from the CTTC. From Sants Central Station the journey is about 20 min and from the Paseo de Gracia Station, the journey is about 25 min. This is the recommended access if you come to the CTTC by public transportation.

To arrive at the CTTC coming from the Castelldefels train station you need to exit the station and cross the tunnel, once you are on the other side of the tunnel, head to Barcelona street and continue walking until you reach Av. Carl Friedrich Gauss then you will eventually arrive at the campus of the university. The CTTC is located at building B4 and building B6.

## **Access by bus**

X95 line from Barcelona-Ronda Universitaria-Pl. Catalunya. The X95 bus line departs from Barcelona Rda. Universitaria-Pl. Catalunya, in the city center and stops at the Santiago Rusiñol-Doctor Trueta-Castelldefels (where the Mediterranean Technology Park, PMT is located and the CTTC)

L99 line from Airport T1 - Castelldefels-Pg. del Pitort. The L99 bus line departs from Terminal 1 at El Prat Airport and stops at Passeig del Pitort.

## **Access by car C-31 and C-32 motorways**

The CTTC is 10 min far away from the Barcelona airport and 30 min from the Barcelona city center (during rushing hours the time is longer). Take the C-32 motorway (formerly A-16) until exit 46 (Castelldefels) or alternatively take the C-31 motorway (formerly N-246) until exit Canal Olímpic. Follow the UPC signs to arrive at the Mediterranean Technology Park.

## **Access by Taxi**

Taxi (around 20-25 euro) is strongly recommended.
